COMMENTS	<p>Due to the success of the tournament in 2015 the SCWG made a decision to host 2 of these events in 2016. There are still numbers of non-active lady players at the clubs and with Capacity Building events like the Teams of Two has rekindled the interest of players with this format. Due to the tournament being 36 holes the individual handicaps of Bronze Division players need to be capped. An incorrect decision was made by me by letting the Greensomes play in 8 players per flight as only 4 balls were in play but the 8 tee shots prolonged the game instead of speeding it up. It worked well in the Silver Division Foursomes but is not recommended for the Bronze Division's Greensomes.</p>
